

TPBox IP68 Junction Box 3 Way Waterproof Cable Connectors Coupler Box-Black

Model : TSJB707050 3 TB Black

Manufactured in EU IP 68 top Waterproof cable connectors for cables with diameters 5.5-10.2mm

Colour : Black

Name:IP68 black Technoparts 3 Way Waterproof cable connectors junction box
IP 68 top Waterproof cable connectors for cables with diameters 5.5-10.2mm

Features: Waterproof / moisture proof / sunscreen / anti-corrosion repair Easy / No cable cutting / Increased flexibility Suitable for LED billboards, LED tunnel lights, LED Road landscape lighting, LED outdoor display, LED garden lights, and so on Further applications in coastal, river, sea or underwater engineering, underground engineering, mining engineering, solar-wind power, solar water heaters, various machinery and equipment.

Technical specifications:

Material: ABS plastic

Color: Black

Mating connector: 3 x PG11 For wires with a diameter of 5.5-10.2mm

Clamping range: 4 Square

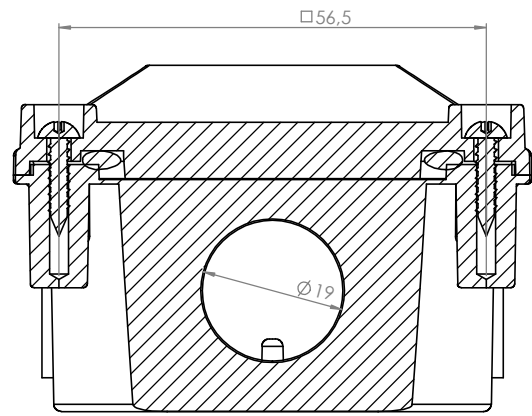

Supply voltage: 17.5A / 230V

Waterproof: IP68

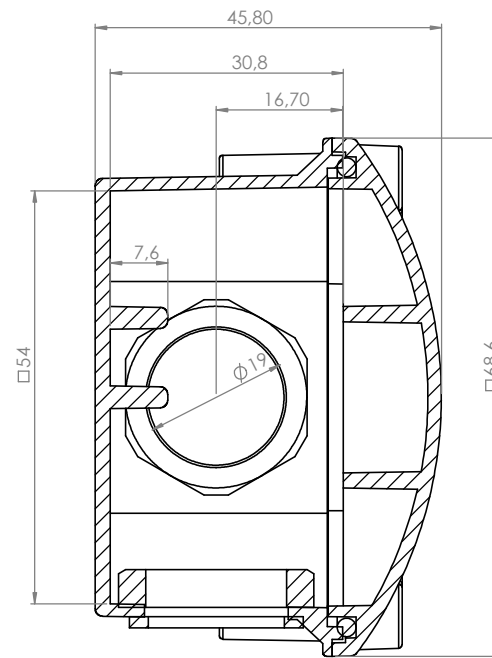

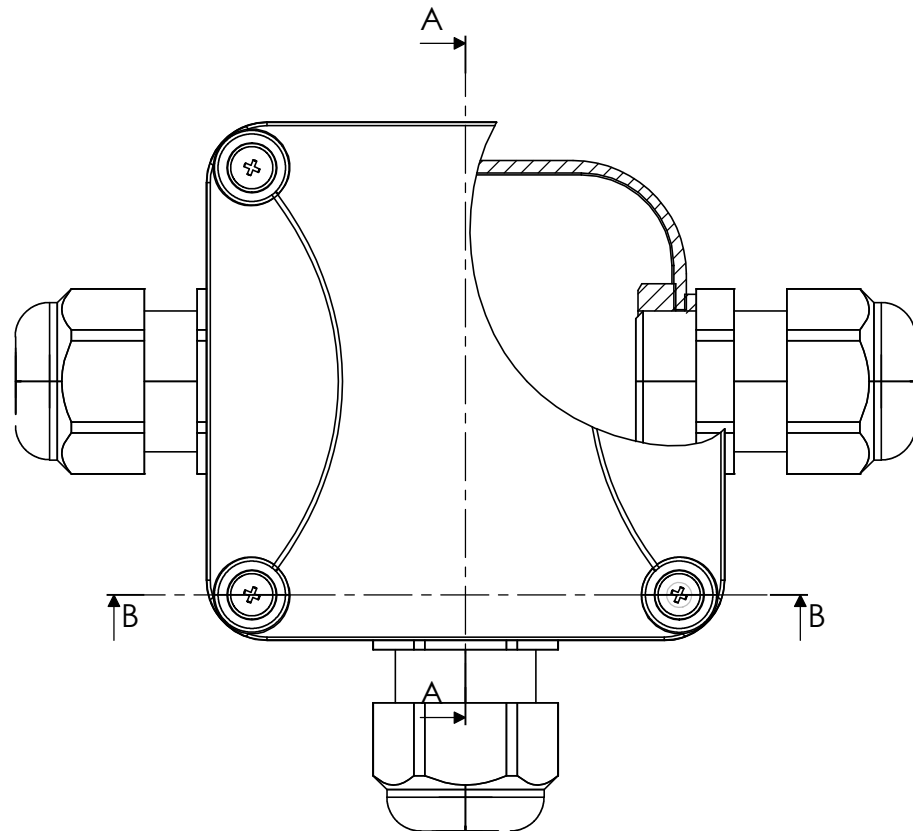

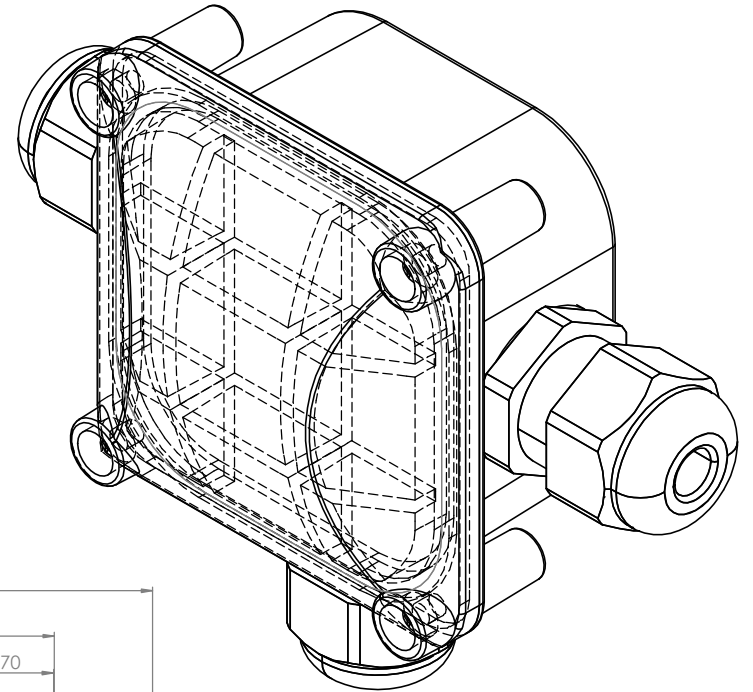

Dimensions: 115 x 95 x 50mm

Package waterproof junction box with 3 cable glands, 3x2 pole PA screw terminal connectro, 4 x SS screws
