Overview

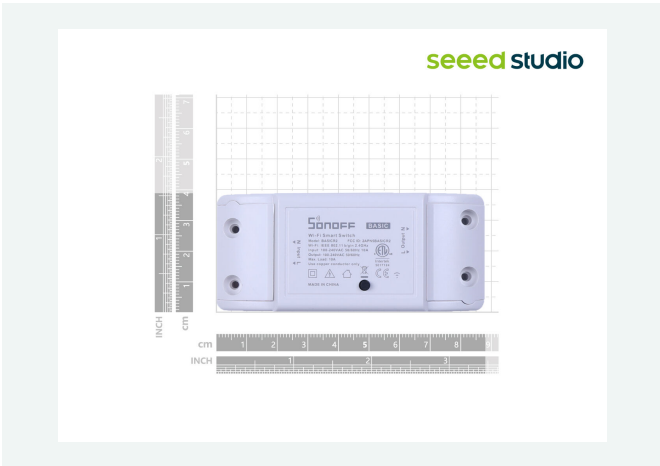

The Sonoff BasicR2 WiFi Smart Switch enables simple operation via the eWeLink app, offering remote control, LAN control, timing schedules, and share control for smart home and building automation. It supports hands-free voice commands through Amazon Alexa, Google Assistant, SmartThings, and Alice, and is CE, FCC, and RoHS certified for safe, reliable use.

Key Features

- **Simple operation:** Use the eWeLink app to control all smart furniture with BasicR2 installed.
- **Make your life simpler:** connect other smart devices to make actions auto-on/-off and make your life becomes simpler.
- **Multi-function fusion:** Sonoff BasicR2 has most of the basic functions for you to apply your smart furniture, like remote APP control, LAN control, timing schedule, share control, etc.
- **Hand-free voice control:** Compatible with Amazon Alexa, Google Assistant, SmartThings, and Alice. Just speak out your command, the smart device can control on/off as you say.
- **Safe and secure:** CE, FCC, and RoHS-certified products will be safer and more reliable.
