**F 1036 D**  
**Order no.: 97610360**

For F 1036-...

\* = Available on request.

### Characteristics

#### Enclosure Material

Al Mg Si 0.5 anodised; for details, please see Technical Information

#### Scope of delivery

1 Cover

### Important!

To compensate for pressure when temperatures change and cause moisture in the enclosure, we recommend that you use a **pressure compensation** element.

In order to ensure that you can determine **the correct quantity of elements for your application**, we are providing you here with a DAE calculator.
