

Product Parameters

Mounting Hole	19MM
Max.Switch Rating	Ith : 200mA Ui : 24V
Outshell Material	Aluminum or Stainless Steel
Head Shape	Flat round
Terminal Type	0.22 Square wire (wire length can be customized)
Mounting panel thickness	1-10 mm
Contact Configuration	
Switch Operation	
Pulse Time	Less than or equal to 50ms
Protection Level	IP 68 IEC529
operating humidity	10%-90%
Operating Temp	-40℃~+70℃
Operating Temp	3-8N
Electrical life:	More than 500,000 cycles
Illuminated	YES
Led Symbol	Ring symbol
Led Color	Red,Green,Yellow,Orange,Blue,White,Purple are available
Led Voltage	3V 6V 12V 24V for choose.
LED Life	More than 40,000 hours
