Package size (L x W x H)	250 x 201 x 68 mm
Net weight	1.3 kg
Gross weight	1.4 kg
REACH compatibility	Yes
EAN code	5901720138071
Warranty	24 months

Description

The **Akyga® AK-HD-400L active HDMI fibre optic cable** is the ideal choice for those looking for a robust cable to connect their audio/video devices. You can easily use it to connect your console, TV or projector to your laptop or DVD player. What's more, the fibre optic included in the cable allows you to transfer high-quality video and audio over distances of up to **40 metres, without distortion**. This means that you will be able to enjoy a perfect **8K resolution** image, which is sure to enhance your movie and gaming experience.

The **AOC HDMI ver. 2.1 cable** is also an excellent choice for lovers of the latest audio/video standards. Thanks to its support for **eARC** (Enhanced Audio Return Channel) technology, it enables studio-quality audio with formats such as **Dolby Atmos** and DTS:X without the need for additional cables. In addition, the cable is compatible with **Dolby Vision**, enabling content to be displayed in enhanced colour gamut and HDR contrast. All of this makes the Akyga® AK-HD-400L HDMI fibre optic cable the ideal choice for demanding users who value not only image quality, but also sound quality.
