Description

Akyga® AK-CH-19 is a universal **mains charger**. It has **two USB Type C ports**, so you can charge up to two devices simultaneously with it. Both ports are equipped with the **Quick Charge 3.0** fast charging function and **Power Delivery 3.0** circuit, which makes it possible to charge not only smartphones, but also tablets or headphones. This is a very convenient solution for people who frequently use various electronic devices. What's more, the charger has no built-in cables. As a result, you can choose any cable length and connector that suits you best.
