Description

The **Akyga® AK-PD-15** is a high-quality **charger for Philips razors and trimmers**. It is a reliable device that proves to be invaluable in case of damage or loss of the original charger. With a voltage of 4.3V and a current of 700mA, the AK-PD-15 power supply provides the exact same power parameters as the original chargers for Philips OneBlade razors and other models with the same power specifications. This ensures that your device will be fully charged and ready to use again. The AK-PD-15 charger is compatible with various devices, including the **Philips OneBlade Face + Body** razors and **Philips Multigroom** trimmers.
