

Hub USB

Model: **AK-AD-57**

Product code	AK-AD-57
Product type	Hub USB
Responsible Entity	Akyga Europe Sp. z o.o., 52-200 Suchy Dwór, Wrocławska 1c, Polska/Poland, contact@akyga.com
The cable plug #1	USB Male connector type C
The cable plug #2	USB Female connector type C / 3.0 type A / HDMI
Version	USB 3.1
Plated plugs	Yes - nickel plated
Material	ABS
MTBF	100000 h
Temperature	5 - 50 °C
Package	UniBag
Product size (L x W x H)	58 x 52 x 12 mm
Package size (L x W x H)	240 x 170 x 16 mm
Net weight	53.6 g
Gross weight	57.6 g
CE compatibility	Yes
FCC compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720135346
Warranty	24 months

Description

The Akyga® AK-AD-57 adapter is a hub that allows you to connect to one USB C port, three devices that support specific standards with the possibility of their simultaneous and independent operation. The hub expands the USB C port with a USB 3.0 port type A and an HDMI connector, giving the possibility of connecting various types of peripherals to the device, such as a keyboard, mouse, memory stick, external disk, projector or monitor. The adapter provides video transmission in Ultra HD (4K) resolution and data link bandwidth of 4 Gbit / s (500 MB / s) for USB version 3.0. The length of the hub wire is 10 cm. The product will work exceptionally well as a connector for eg Macbooks and other devices usually not equipped with USB A and HDMI ports with peripherals supporting these technologies. The cable is bi-directional, it means it supports data transfer in both directions.
