

TOKOZ DRAWER ORGANISERS

Solid metal. Everything at a glance.

Organisers trusted by professionals, technicians and DIY enthusiasts – now available under the TOKOZ brand.

We build on the traditional manufacturing from the Vysočina region and present 14 carefully selected variants of metal drawer organisers designed to withstand daily use.

- Stable metal construction with a high-quality finish.
- Clear PS plastic drawers for quick identification.
- Stackable, wall-mountable or suitable for use on a workbench.
- Available in 4 heights and 2 colours – blue and red.
- Made in the Czech Republic by TOKOZ.

Thanks to their durability and practicality, TOKOZ organisers are a must-have for every workshop, garage, production area or office.

An ideal solution for storing screws, fasteners, office or sewing supplies and other small items.

TOKOZ organiser – more than just tidy storage.
