

Console boxes
Series 2100

Desk top electronic instrument enclosures. Ideally suited for instance: test equipment, medical/scientific devises, audio/video controllers, security systems. Are as standard manufactured in high-impact ABS but can upon request also be supplied in ABS conforming with the UL94-V0 requirements.
Available in grey and black.

Supplied with bosses for inside mounting a PCB horizontally. Internal guide slots are provided for mounting PCBs vertically. Assembled by means of four self threading screws. Rubber feet are available upon request.

Large smooth recessed panel for keyboard, membrane switches, etc. We offer customization to specification as for instance: drilling, cutting, painting, punching, labelling and silk screen painting.

Type	Order code	Colour	External dim. (mm) W x D x H
21183G	p/n 4969118301	Grey	189.0 x 134.0 x 32.0/54.6
21183B	p/n 4969118302	Black	189.0 x 134.0 x 32.0/54.6
21188G	p/n 4969118801	Grey	134.0 x 189.0 x 32.0/55.0
21188B	p/n 4969118802	Black	134.0 x 189.0 x 32.0/55.0

All measurements are in mm.
